

The KTM PowerWear collection is available from all authorised KTM dealers. KTM Sportmotorcycle GmbH reserves the right – without prior notice and without specifying reasons – to amend the technical specifications, fittings, scope of supply, colours, materials, services offered and provided, etc., or to discontinue them without replacement, or to stop manufacturing a particular model. All details are non-binding and specified with the proviso that mistakes, printing, setting and typing errors may occur; such information is subject to change without notice at any time. Before ordering or purchasing any of the products or models offered, please obtain information regarding the respective scope of equipment and supply from your local KTM dealer.

WARNING

Do not imitate!

The riders illustrated are professional motorcycle riders. The photos were taken on closed racing circuits or closed roads. KTM wishes to make all motorcyclists aware that they need to wear the prescribed protective gear and always ride in a responsible manner in accordance with the relevant and applicable provisions of the road traffic regulations.

PURE SHOES

- » Exceptionally close fit thanks to light and breathable surface material
- » The preformed and removable polyurethane insoles provide high-grade cushioning and cooling for dry feet
- » AFR (Active Force Return) intermediate sole: This innovative intermediate sole material provides superb cushioning and delivers positive returned energy to the runner with every step. At the same time, the material is especially long-lasting and retains its positive characteristics considerably longer than conventional phylon
- » Additional stability thanks to the preformed, external TPU heel counter
- » Thanks to the anatomically arranged flex grooves, the non-slip TPR tread sole is extremely light and flexible
- » Surface material: High-grade Air Mesh, PU and TPU heel clip
- » Inner material: Polyurethane inner sole, fabric-covered, TPU/PU intermediate sole
- » Tread sole: TPR

- » Exclusively for KTM by UVEX
- » 100 % plastic

3PW1971200

CORPORATE SHOES

- » Exceptionally close fit thanks to light and breathable surface material
- » The preformed and removable polyurethane insoles provide high-grade cushioning and cooling for dry feet
- » The sole consists of two phylon intermediate soles with different degrees of hardness: The softer intermediate sole, which is located close to the foot, cushions impact forces and provides a comfortable running sensation, while the harder intermediate sole gives the runner exceptional stability, supporting the foot with every step
- » The TR cushioning element, which is fitted close the heel, also absorbs impacts
- » Non-slip, particularly durable rubber tread sole in the hindfoot and blown rubber in the fore foot for additional cushioning
- » TPU midfoot stabilizer for additional hold and stability of the foot in the shoe
- » Top material: high-quality airmesh, PU and TPU toe cap
- » Inner material: High-grade fabric lining with a cushioning, fabric-covered polyurethane inner sole
- » Tread sole: Phylon / rubber
